

Dear Researchers,

!!!...Greetings of the Day...!!!

CALL FOR PAPERS for CCUBE 2017

“Opportunity to publish your paper in IEEE Xplore.”

RNSIT is hosting “Second International conference on Circuits, controls and communications” on Dec 15-16, 2017 with Technical co-sponsorship from **IEEE Bangalore section, IEEE CAS society Bangalore chapter, IEEE CIS society Bangalore chapter, IEEE COMSOC society Bangalore chapter.**

IEEE Xplore conference ID of CCUBE 2017 : 41751

All accepted papers will be submitted for inclusion into IEEE Xplore.

Proceeding of First International conference on Circuits, Controls and Communications **CCUBE-2013** is included in the IEEE Conference Publications Program (CPP) Conference Record # 31795, IEEE Catalogue Number -CFP13CCU-ART, ISBN - 978-1-4799-1601-6

All published papers are available in ieeexplore

The focus of the Second International conference on Circuits, Controls and Communications CCUBE-2017 is on ongoing/current and latest development of research in the areas of Circuits, Control and Communication. Current trends indicate integration / merging of the three areas as seen in IoT application development. Thus scope of the conference is to encompass research in these three interrelated areas.

Submissions are solicited, but not limited to the following areas-

Track-1 (Circuits)

1. IoT: Sensors, MEMS, Nano, Devices and Circuits
2. IoT Applications: Smart grid, Process instrumentation, e-health, Disaster management, Protocols and standards, Mobile and wearable devices, Innovative vehicular applications.
3. VLSI: Design, Fabrication, Testing, CAD, Embedded systems and SOC
4. Power Electronics, Smart Power electronics drives and applications, Renewable energy sources

Track-2 (Controls)

1. Automation, Adaptive and Robust Control System
2. Power Systems and FACTS
3. Advanced Machines and Controls
4. Instrumentation, Robotics and Virtual Reality

Track-3 (Communications)

1. Communication Network, Mobile Communication, MANET, VANET, Wireless Sensors Network, Web Services, Security, e-transaction
2. Optical, Satellite, RF and Microwave Communication
3. Signal Processing : Image, Audio, Video, Biomedical Signal Processing
4. Pattern Recognition, Machine Learning, Deep Learning

Gold, Silver, Bronze Best Paper Awards will be given to the authors.

All accepted papers will be submitted for inclusion into IEEE Xplore.

Paper Submission Deadline : 15th JUNE 2017.
